Chairman's Comments.

"I would like to record my sincere thanks to all of you who have been very generous and kind to me in your support during the period of my illness. In particular I would like to give a special word of thanks to John Derbyshire for offering to take over the responsibility of Ticket Secretary and do a job swap with me. I would also like to express my gratitude to Jackie for the invaluable support she gave to me whilst I was Ticket Secretary.

I feel privileged to be part of a group of supporters who share my passion for Everton Football Club and who have contributed so much to creating a friendly family atmosphere within the club".

With all good wishes.

Yours sincerely

AD Maxwell

Season Ticket Holders Travel.

We would like to remind all Season Ticket holders that the assumption is you will travel with the Club to all fixtures where the Club is arranging travel. As well as guaranteeing you a seat it also helps us to gauge what type/quantity of coach we should be booking. If you do not want the Club to assume you are travelling then please inform any Committee member and have your name removed from the guaranteed traveller list.

Badge Design Competition

Next season the Westcountry Blues Supporters Club is ten years old. To celebrate this we hope to produce a ten year Club badge. We would like the Club members to come up with some designs for this special badge. All ideas/designs, even rough outlines, are to be sent to Ronnie who will produce drawings of the designs which will then be shown to members to choose their favourite. If possible we would like designs to incorporate our current official logo as on the tops of the Newsletters but it is not essential. Entries close on 1 January 2010. **The winning designer will get their badge free.**

[The Everton Collection](#)

I have no doubt most of you will already know about the Everton Collection but for those who do not here is an update. Thanks to Ken Knight for the information.

The Everton Collection is now on display at the Liverpool Museum, so for those of you who will be staying up that way in the future it is a must to go and see. There are a couple of events linked to the collection in the near future just in case any of you are up that way at the time.

1. Author Peter Lupson will be giving a talk on the shared histories of Everton (and the other lot) at the Central Library at 14:00 on 11 November, particularly on the feud which led to Everton leaving Anfield.
2. Derek Temple will be at the exhibition at 14:00 on 26 November.
3. Author Peter Lupson will be giving another talk on the shared histories of Everton (and the other lot) at the Central Library at 14:00 on 7 December to explain the strengthening of the bond between the clubs at the turn of the century.

You can visit the Everton Collection on line at www.evertoncollection.org.uk.
