

☺ E-mail Addresses

Where possible we would like to send electronic (PDF) Newsletters out. This saves the club money and enables us to get information to members a lot quicker. A number of the e-mail addresses we hold of members are being bounced when we try to send them Newsletters. This means we have the wrong address or people have changed them.

If you have not been receiving your Newsletter by e-mail it means you fall into one of the categories mentioned. If so could you e-mail Ronnie so he can add your e-mail address to his database. The best way to do this is via the link on our website @ www.westcountryblues.org.uk, or e-mail him direct at rwblue1@btinternet.com. Remember to say who you are because it is not always obvious from the e-mail address.

☺ Polo Shirts

A number of members have expressed their interest in having a Westcountry Blues polo shirt produced. If you are interested in having one please let Ronnie, or any other committee member know. We estimate they will be about £10 each. Once we have numbers we will get them costed and get back to you.

☺ Steve McHale Caption Competition

The winner of our caption competition [Right] is Carol McHale with: **“I would’nt mind but I have been married to the T*!t for twentyfive years”**

Next Fixtures:

MAN URE HOME - SAT 15 Sept. 12:00 ko

OK so we lost and ok we didn't have any cutting edge BUT what a performance by Leighton Baines. It didn't matter who Ferguson put there, Giggs, Tevez, Ronaldo – Leighton had them in his pocket.

The left back patiently allowed Ronaldo (the dressage kid!) to demonstrate a string of ostentatious trademark stepovers, before putting his foot in and dispossessing him cleanly. It was the football equivalent to Indiana Jones scene when the sword-wielding show-off is shot with a pistol!

METALIST AWAY – UEFA CUP 2ND LEG

Toni Harrison - As many of you know Toni, a long standing member not just with WCB put previously with the South West EFC Supporters Club, has moved to be nearer her beloved Arteta!! Well as near as she can get in Whiston!! She is now officially 'one of those' on the 'Appy Als' coach for travel to away games – you know the one – where air conditioning means smashing the windows out!! Sorry Toni, only joking!

Although Toni is still a WCB member and we still see her at the games we will miss her company and would like to wish her well in her new location – the Bristol contingency will also miss her participation in the post match analysis in the 'French Pub'!
